Re: *United States v. Daniel Daniel*, 20Cr101

Your Honor,

Counsels are seeking an endorsement from the Court granted our assignment to the defendant's violation of supervised release matter that is pending before the Court that is next scheduled to be heard on April 3, 2024 at 11 a.m.

As the Court is aware, Mr. Daniels was sentenced on the underlying matter on or about October 4, 2022. On or about March 3, 2023, counsels received correspondence from Probation that Mr. Daniel would be subject to a violation of supervised release for conduct occurring in the District of Florida. From that date forward, counsel again provided legal services on behalf of Mr. Daniel and is therefore asking the Court to authorize assignment of counsel nunc pro tunc to March 3, 2024.

Thank you in advance for any and all consideration of this application.

Respectfully submitted,

Loretta A. Preska
UNITED STATES DISTRICT JUDGE

Angus James Bell, Esq.
